

CREDIT & SURETY

Credit

Credit Insurance and trade credit insurance, play a major role in facilitating trade including international trade.

Trade credit insurance was born at the end of nineteenth century, but it was mostly developed in Western Europe between the First and Second World Wars.

Surety

MXB can provide comprehensive surety solutions for a wide variety of risks including agriculture, construction, energy (including alternative and renewable energy), infrastructure, support services,

transportation, and telecommunications amongst others.

MXB works with first class reinsurers to provide solutions for client's requirements whether they be standard surety and bond products or those that require a creative approach to matching the client's needs with reinsurers ability to underwrite and price a risk.
